RE: Amendment to City Council Minutes 04/22/14

Council Member Halliday has asked that the minutes of April 1, 2014, paragraph three of page four be revised as follows:

It currently reads:

“Council Member Halliday, as the liaison to the Community Services Commission, spoke about the rigorous work done by the Commission during the funding review process and the importance of meeting HUD’s stringent requirements to prevent jeopardizing future Federal funding. Ms. Halliday added that Hayward CAN was being provided with \$5,000 in order to come up with a plan for a larger facility and more services.”

Proposed to read:

“Council Member Halliday, as the liaison to the Community Services Commission, commended the Commission for its rigorous work during the funding review process. In response to the comments regarding funding for the Hayward CAN case manager position, she noted the agency’s reporting deficiencies and spoke about the importance of meeting HUD’s stringent requirements to prevent jeopardizing future Federal funding. Ms. Halliday added that Hayward CAN was being provided with \$5,000 in order to come up with a plan for a larger facility and more services.”

With the change noted above, I respectfully request approval of the amended minutes.
